Describe your personality (introvert, extrovert, funny, serious, goal-oriented, curious, etc.).

I am an outgoing funny person with an avid imagination. I have always been good at math and with working with my hands. I enjoy playing many sports and like to debate.

What are your special interests and talents?

Tennis, golf, basketball, backgammon, chess, hearts, poker, cooking, swimming.

***Healthworker noted: Likes to learn new types of cooking, BBQ's, Halian fishing (freshwater), outdoors, enjoys strategy games, good salesman.*

How would you describe your enjoyment of and skills in the following areas:

math: **I am very good at math and picked it up quickly.**

mechanical: **I would say I am better than average but I could not take apart a car and put it back together.**

athletic: **I enjoyed athletics from an early age and practiced often. As a child I was an early bloomer at sports.**

***Healthworker noted: Soccer, baseball, tennis, golf. He loves sports.*

musical, artistic, creative: **I played he piano for 5 years when I was younger but nothing very complex.**

language (what languages do you speak?): **I speak a little Spanish but mainly English.**

What are your goals and ambitions in life?

I want t be successful in the business world with out ever having to compromise with my integrity. I want to have some children and own my own home some day.

Why do you want to be a sperm donor?

The money would help pay rent/utilities/school bills.

Did you choose to be an identity-release donor? **No.** Why did you make this choice?

Not knowing what the future will bring makes me feel that a commitment like that might end up having some repercussions and consequences I would like to avoid.

What message would you like us to pass on to the people who are getting your sperm?

I hope you have beautiful intelligent children that bring you joy and happiness.
