**DONOR NARRATIVE: Donor 2439**

math skills/ability: **Mediocre. Never enjoyed math, but generally did pretty well.**

mechanical skills: **Basic skills. I am pretty good at assembling things.**

athletic skills: **Pretty good racquetball player, decent basketball player. I enjoy physical activity, especially sports**

musical, artistic, creative abilities: **I love music of all types. I enjoy singing. I am passionate about poetry, reading and writing. I am also an actor.**

What languages do you speak? **English, a little Spanish**

What are your hobbies, interests and talents? **I am active in the student chess club. I like writing, poetry, and I have a pleasant singing voice. I enjoy being outdoors. I'm good with people working in groups. I really love the theater, and have done a lot of acting.**

Describe your personality (introvert, extrovert, funny, serious, goal-oriented, curious, etc.).  
**I am mainly extroverted, but can be shy in some situations. I have a good sense of humor, but it doesn't always come out. I am curious about many things, and as a child I read about all sorts of things, especially outer space and paranormal activity.**

What are your goals and ambitions in life? **One of my main goals is to have a good family and be a great father. I hope to go to graduate school and become a professional clinical psychologist. In the back of my mind I would like to one day publish some poems.**

Why do you want to be a sperm donor? **I want people unable to have children the normal way to have the opportunity to have healthy, happy children. Also, I am friends with a lesbian couple who plan to use a sperm bank, and I think this is an excellent idea.**

Did you choose to be an identity-release donor? **X** yes \_\_\_no. Why did you make this choice? **My progeny have the right to know their biological father.**

What message would you like us to pass on to the people who are getting your sperm? **I hope you have a wonderful family life, with beautiful, happy children.**
