DONOR NARRATIVE: Donor 2497

Describe your personality (introvert, extrovert, funny, serious, goal-oriented, curious, etc.).

I am an outgoing person who enjoys people. I also have an introverted side that enjoys the arts and studying.

What are your special interests and talents?

Writing, music, photography, drawing, gardening, computers (making websites)

How would you describe your enjoyment of and skills in the following areas:

math: **I did well at math but it required discipline and determination.**

mechanical: **I am competent with mechanical processes but it doesn't come naturally.**

athletic: **Very good and enjoyed.**

musical, artistic, creative: **Very good and enjoyed.**

language (what languages do you speak?): **English and some Spanish.**

What are your goals and ambitions in life?

To be a best-selling author. To teach. To support myself with my art. To graduate with honors in an MFA program for creative writing. To own my own house. To have money but not be driven by money. To be in a vibrant, loving, monogamous relationship with a woman I love and respect. To have what I need. To maintain my spiritual connection and growth.

Why do you want to be a sperm donor?

I would like to help women who want healthy, compassionate, loving offspring like I was as a child. Yes, I do also do this for the money, however I feel like I am helping people. This is a cause or process I support.

Did you choose to be an identity-release donor? yes ___no. Why did you make this choice?

If the child upon maturity wants to meet me, I feel they should have that choice.

What message would you like us to pass on to the people who are getting your sperm?

As a child I responded to love with love. I was very obedient and still an individual with a strong spirit. My bloodline is full of loyal, strong, intelligent and loving people.
