DONOR NARRATIVE: Donor 2938

Describe your personality (introvert, extrovert, funny, serious, goal-oriented, curious, etc.).

I walk my own path. I don't always follow popular trends. When obstacles occur in life I find a way around them. I have sought out different cultures and Ideas and it has made me a well – rounded person. I enjoy making my friends and family laugh. It gives me joy to see others happy.

What are your special interests and talents?

I have been a musician most of my life. I love animals. I also enjoy the cinema, reading and photography.

How would you describe your enjoyment of and skills in the following areas:

math: **I have a basic understanding. I don't do math problems for fun.**

mechanical: **Pretty handy at figuring things out. I learned how to work on cars when I was a teen.**

athletic: **I played football in high school. Currently I lift weights and hike.**

musical, artistic, creative: **This is my life. It chose me. I'm a singer. I write short fiction and play several instruments.**

language (what languages do you speak?): **Sadly just English, a few words of Spanish. Just enough to order dinner.**

What are your goals and ambitions in life?

I'd like to travel as much as I can. I'd like to leave this place better than I found it. I'd like my records to get just a few more good reviews.

Why do you want to be a sperm donor?

I like the idea of helping out couples who would otherwise be incapable of conceiving children. I feel that being a donor is a positive thing and it may lead to dreams coming true.

Did you choose to be an identity-releasesm donor? **Yes** Why did you make this choice?

I would like to talk with any person I have been involved with through TSBC. I would welcome contact.

What message would you like us to pass on to the people who are getting your sperm?

I have faith that this child will be raised in a loving home, that it will grow up to be a confident and capable adult, and that your family will be a strong family.
