What are your goals and ambitions in life?

To enjoy everyday to its fullest. To help others with my knowledge of food, and other skills. To see places and experience new things. I would like to retire at an older age. I would love to be on T.V. or in movies.

Why do you want to be a sperm donor?

I believe that I'm in great health and of little risk of any disease. The money is good, and I feel very good helping the couples who can't have children.

Did you choose to be an identity-release donor? yes no. Why did you make this choice?

I would rather be anonymous.

What message would you like us to pass on to the people who are getting your sperm?

I believe my sperm will help you have happy, healthy children for their whole lives.
